Board Review Question of the Week:

Week Starting 2/5/2018

A 53 year old man presents with ascites. He has a history of chronic hepatitis B, and a liver biopsy 5 years ago showed bridging fibrosis. He has never been treated for hepatitis B. The physical exam...MORE

*“Presenting my abstract at the ACG Annual Meeting really helped me hone my presentation skills and the feedback I received by attendees was great!”*

## Program Directors

ACG has the resources you need.

IMAGE

**Education Universe GI Training Pathway**

This site contains educational materials covering the GI Core Curriculum and allows PDs to assign homework to their fellows.

MORE

IMAGE

**NYU OSCE Toolkit**

This Toolkit gives you the materials you need as a GI program director to evaluate a fellow’s skills set, using the objective structured clinical examination (OSCE) simulation method.

MORE

IMAGE

**Entrustable Professional Activities (EPAs)**

A toolbox designed to help meet the ACGME Internal Medicine Subspecialty Reporting Milestones requirements while training fellows to independently care for patients.

MORE

IMAGE

**GI Core Curriculum**

The Core Curriculum constitutes a living document that represents the four societies’ vision of best practices in gastroenterology training.
